IDEMIA

IDEMIA VisionPass SP biometric face recognition terminal: MIFARE / DESFire, 10,000 users

SCAP part number: BIO-VISIONPASS_SP_

IDEMIA VisionPass SP face recognition terminal: people are recognised in under one second as they walk past, whatever the lighting. Visible, infrared and 3D cameras, 5-inch touchscreen, built-in MIFARE / DESFire badge reader.

Key features

- Recognition in under one second, with no particular gesture
- 3D fraud detection certified by an independent laboratory
- Badge, QR code or PIN code in addition to the face
- OSDP to the door controller, built-in relays
- Powered by PoE+, no separate power supply

Applications

- Banks, data centres and head offices
- Entrances where people must be identified without a badge or contact
